

DIRECTIONS

From motorway A 7 you take the first exit slip road towards „Flensburg, Glücksburg, Husum“.

Turn right at the third exit (Rude), again in the direction of „Glücksburg, Flensburg Zentrum“.

Follow the road until the road sign towards „Glücksburg/Kappeln“ and turn left. Follow the road until you reach the „ZOB“ (four-lane). Turn right and drive underneath the railway bridge.

The Firth of Flensburg is located on your left. On the road „Hafendamm“ you come by two Silos. Turn left and follow the signs towards „Jacob Cement“ and „Yachthafen“.

After a leftturn you will see our building at your right.

Have a nice trip!

SEAWAY

Our coordinates:
54° 48,0' N 09° 26,0' E

Approach from the navigable water buoy no. 15 at 205° is also possible at night. Try to stay in the middle entry of the industrial port.

Directly in front of the land you have got a deepness of only 1.4m.

At night look out for the dolphin which is located at your starboard.
